ReMynd Student Assessment — Parent/Guardian Consent Form

Form ID: CONSENT

20 fields · 20 required · 9 sections

About This Form

ReMynd Student Services provides educational assessment, consultation, reporting and student-support planning services.

The assessment may require ReMynd to collect and process personal information about the student, including educational records, assessment responses, scores, work samples, teacher and parent questionnaires, behavioral observations, and relevant learning, developmental, social-emotional or health-related information.

Some of this information may be classified as sensitive personal information, particularly when it concerns a child under 14.

Please review the ReMynd Privacy Notice before providing consent. Questions about privacy, personal information or the assessment process may be directed to Noel Roberts, ReMynd Student Services — ne_roberts@yahoo.com

Assessment Authorization

10.

I confirm that I am the student's parent or legal guardian, or that I otherwise have the legal authority to authorize the student's participation and provide consent for the processing of the student's personal information.

*

11.

I authorize the above-named student to participate in the ReMynd educational assessment described to me. I understand the purpose and general process of the assessment and have had an opportunity to ask questions. I understand that ReMynd's educational assessment does not, by itself, constitute a medical or psychiatric diagnosis or a formal determination of statutory special-education eligibility.

*

12.

I understand and separately consent to ReMynd Student Services using approved, access-controlled artificial intelligence tools to assist qualified professionals in organizing and summarizing assessment information, identifying information for professional review, and preparing clear written documentation for families.

I understand that AI-generated content may contain errors and will not be treated as a final assessment decision. All AI-assisted content will be reviewed, corrected where necessary, and approved by an authorized ReMynd professional before being included in any final report.

ReMynd will limit the information provided to these services to what is reasonably necessary, remove or replace direct identifiers whenever practicable, and apply appropriate confidentiality and security safeguards. Identifiable student information will not knowingly be used to train public or general-purpose AI models.

I understand that, despite these safeguards, no electronic processing or transmission method can be guaranteed to be completely risk-free.

*

Sensitive Personal Information

13.

I separately consent to ReMynd collecting and processing sensitive personal information that is reasonably necessary to conduct the authorized assessment.

Depending on the assessment, this may include: educational and school information; assessment responses and scores; student work samples; teacher, parent and student questionnaires; behavioral and assessment-session observations; learning and developmental information; social-emotional or wellbeing information; and relevant disability-related or health-related information provided to ReMynd.

I understand that this information will be used to conduct the assessment, interpret the findings, prepare the assessment report, develop educational recommendations, complete professional quality review, and provide the agreed debrief and support planning.

ReMynd will limit access to authorized personnel and apply appropriate confidentiality and security protections.

*

14.

I understand that the personal information of a child under 14 is treated as sensitive personal information under China's Personal Information Protection Law. As the child's parent or legal guardian, I consent to ReMynd processing the child's personal information for the assessment and support purposes described in this form and in ReMynd's Children's Personal Information Protection Policy.

*

Teacher and School Information

15.

I authorize ReMynd to invite the student's relevant teachers or school professionals to complete questionnaires, rating scales, interviews or observational forms needed for the assessment. I understand that ReMynd will request only information reasonably relevant to the assessment.

*

16.

I authorize the student's school or the school professionals identified for this assessment to provide ReMynd with relevant educational records, previous reports, intervention information, work samples and other materials reasonably necessary for the assessment. This authorization does not provide ReMynd with unrestricted access to the student's complete school record.

*

Privacy Acknowledgement

17.

I confirm that I have been given access to the ReMynd Privacy Notice and, where applicable, the Children's Personal Information Protection Policy.

I understand that these documents explain: what personal information ReMynd collects; why the information is needed; how the information may be used; who may receive or access the information; where the information is stored; how long it may be retained; how ReMynd protects the information; how I may request access, correction, withdrawal of consent or deletion where applicable; and how I may submit a privacy question or complaint.

*

Additional Consents

Recording an assessment session, sending personal information to an external AI provider, processing information outside mainland China, or releasing the completed report to a school or another recipient are not authorized by this core form.

Where applicable, ReMynd will request separate consent before undertaking those activities.

Confirmation and Signature

18.

I confirm that:

- I have read and understood this form.
- I have had an opportunity to ask questions.
- I understand the purpose and general process of the assessment.
- The information I have provided is accurate to the best of my knowledge.
- I understand that I may contact ReMynd to withdraw consent.
- Withdrawal will not invalidate processing lawfully completed before the withdrawal.
- Withdrawing consent for necessary processing may mean that the assessment cannot continue.
- I voluntarily authorize the assessment and the processing activities to which I have agreed above.
