

Y-BOCS Symptom Checklist (Y-BOCS-SC)

Instructions:

This is a clinician rated checklist. Ensure the patient knows the difference between obsessions and compulsions and ask them about each category of symptoms below. If they have experienced a symptom in the current week (7 days), select "Current". If they are not currently experiencing symptoms but have in the past then select past "Past". In general, the response is guided by the patient's report; however, the final rating is based on the clinical judgement of the interviewer.
